

# Bodegas Real Bonat Tinto

## The Producer

Located in the Province of Ciudad Real and founded in 1989, Bodegas Real is a family owned estate of 350 hectares. The main grape is the local Cencibel (Tempranillo), but some Cabernet Sauvignon, Merlot as well as some white grape varieties (Airen, Macabeo and Chardonnay) can also be found. The winery is conveniently located next to the vineyards, which enables the winery to process the grapes quickly. Bodegas Real combine the latest technology and latest wine making techniques (cool fermentation, temperature control, stainless steel tanks, etc.) with the traditional know-how to produce wines of great quality.
