

# *Bodega Viña Nora*

## Carqueixal (Rias Baixas)

### The Producer

The winery is situated in an elevated position where beautiful panoramic views of the estuary of the river Miño are possible before its final descent into the Atlantic.

The structure of the winery is surrounded by vines on pergolas and the lines of vines smoothly roll downhill towards the river.

In this mild climate, the summers are temperate and the autumn brings rain. The best grapes are meticulously selected in a way that ensures the health of the vines and a good yield.
