

Bodegas Cepa 21

Hito (Ribera del Duero)

The Producer

Bodegas Cepa 21 is an ambitious new project from the Moro family. The grapes from 50 ha of tinto fino vines (the most pure clone of the tempranillo grape) are used in one of the most technologically advanced facilities in the world. Ultra fine control over the fermenting environment has produced wine of an excellent standard.

The winery is located in Ribera del Duero, a land of dry summers and long, hard winters. The soils of the Ribera del Duero imbue the wine with deep colour, good back bone as well as great aromatic potential.
