## Nora (Rias Baixas)

### The Producer

The winery is situated in an elevated position where beautiful panoramic views of the estuary of the river Miño are possible before its final descent into the Atlantic.

The structure of the winery is surrounded by vines on pergolas and the lines of vines smoothly roll downhill towards the river.

In this mild climate, the summers are temperate and the autumn brings rain. The best grapes are meticulously selected in a way that ensures the health of the vines and a good yield.

### Tasting Notes

This is an Albariño wine of classic structure, made to meet the standards of international tastes. The winemakers have sought to highlight the aromatic elegance of a wine that develops and grows gracefully in the bottle for several months. It is involving and full on the palate, where it leaves a sensation of ripe fruit (apples and peaches), giving way to other flavours reminiscent of herbs.
