

Real Sitio de Ventosilla PradoRey Reserva

The Producer

Real Sitio de Ventosilla has 520 hectares of vineyards, which are irrigated by the river Duero. The plantation, which began in 1989, is divided into estates, which in turn, are separated into plots. Each plot is planted with different clones of the Tinto Fino grape variety (90% of the plantings), particularly adapted to the terroir of each plot. The rest of the vineyards (10%) are planted with Cabernet Sauvignon and a little Merlot. American and French oak are used in the winery and a lot of work goes into research to obtain the best quality possible.

General Information

Type of wine: Still red wine

Alcohol Content: 14%

Grape Variety: 95% Tinta Fina (a variant of Tempranillo), 3% Cabernet Sauvignon, 2% Merlot

Origin: Spain-D.O. Ribera del Duero

Vineyard size: 520 ha

Vines per ha: 2,200

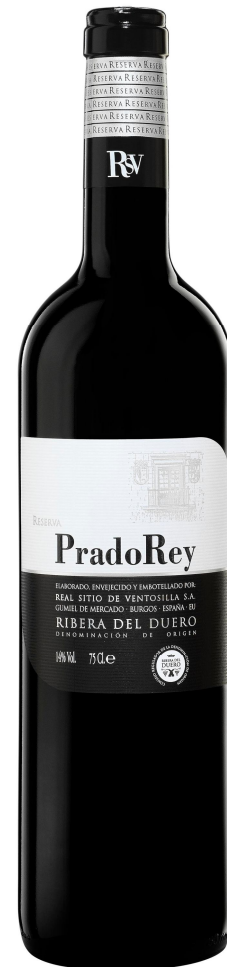

Average yield: 42hl/ha

Average age of the vines: 12 years old

Aging: Ferments in stainless stills vats at controlled temperature of 29°C for 12 days.

Spends 24 months in American oak, 3 months in French oak and 18 months in the bottle.

Suitable for vegetarians

Tasting Note

The long oak ageing has produced complex aromas of ripe fruit, coffee beans, as well as mineral notes and a toasted character. On the palate, it is very elegant wine with mature tannins and a complex structure. The flavours are a blend of cinnamon, coconut and toasted nuts. The finish is long and velvety.
