

Real Sitio de Ventosilla

PradoRey Rosado

The Producer

Real Sitio de Ventosilla has 520 hectares of vineyards, which are irrigated by the river Duero. The plantation, which began in 1989, is divided into estates, which in turn, are separated into plots. Each plot is planted with different clones of the Tinto Fino grape variety (90% of the plantings), particularly adapted to the terroir of each plot. The rest of the vineyards (10%) are planted with Cabernet Sauvignon and a little Merlot. American and French oak are used in the winery and a lot of work goes into research to obtain the best quality possible.

General Information

Type of wine: Still rose wine

Alcohol Content: 13.5%

Grape Variety: 50% Tinta Fina (a variant of Tempranillo), 50% Merlot

Origin: Spain-D.O. Ribera del Duero

Vineyard size: 520 ha

Vines per ha: 2,200

Average yield: 42hl/ha

Average age of the vines: 12 years old

Aging: After 2 days macerating in stainless steel tanks at a low temperature, it ferments in French wood casks at a controlled temperature. Before fermentation has finished, it is moved into American oak casks where it remains for 3 months with weekly stirring.

Suitable for vegetarians

Tasting Note

Pale strawberry colour. It offers aromas of fruits that are very complex, with hints of smoke, balsam and cedar wood.

In the mouth, it is pleasant and oily, with quite a full body for a rose and a mineral aftertaste that is most agreeable.
